<input checked="" type="checkbox"/> <b>Modified as follows:</b>  <p>The abatement date is now September 12, 2007 (90 day max.).</p> <p><b>Reason for modification:</b></p> <p>John Gefferth Environmental Engineer with Consolidation Coal Company by e-mail dated August 27, 2007 requested that the abatement date deadline be extended to September 21, 2007. The regulations only allow 90 days to comply which is September 12, 2007. Daron Haddock Permit Supervisor with the Division spoke with John Gefferth on the phone (August 27, 2007) and advised him of the limitation. The original abatement deadline was August 13, 2007 and then was modified and extended to August 31, 2007 on August 8, 2007.</p>
